

# The Olsen Peace Plaza has been created!

Ministries offered at Happy Valley have been a source of peace and renewal for thousands of people for over 50 years. In recognition of this and of the generosity of the Nielse and Audrey Olsen we have removed the old uneven sidewalk in front of the A-frame Lodge and Dining Hall and have replaced it with a much larger Peace Plaza. The materials used will reflect our beautiful natural setting. It will also provide a much needed outdoor gathering space during the winter when the lawn is often much too soggy for use.

- ❖ Ideal for congregations or families
- ❖ Honor a special person or mark an important event.
- ❖ All donations are tax deductible.
